

TELL THE CONGRESS TO OPPOSE THIS LEGISLATION!! THERE IS NO NEED TO RESTRICT XM RADIO'S NEW SERVICES....MY FRIENDS AND I FEEL THE TRAFFIC AND WEATHER UPDATES ARE AN EXCELLENT SOURCE OF INFORMATION, AND THE OLD LOBBYISTS SHOULD STOP TRYING TO RESTRICT OUR FIRST AMENDMENT RIGHTS AND TRY TO COMPETE EFFECTIVELY ON THEIR OWN, WITHOUT LEGISLATIVE HELP!!THESE LARGE, MONIED VESTED INTERESTS ARE GOING TO HAVE TO DO SOME REAL WORK INSTEAD OF TRYING TO BUY THEIR WAY OUT OF THEIR LETHARGY AND TRY TO BE INNOVATIVE AND COMPETE FAIRLY, NOT JUST TRY TO SHORT-CIRCUIT THE PROCESS WITH THEIR BIG MONEY CONTRIBUTIONS TO WASHINGTON'S LOBBYISTS!!

XM RADIO IS THE BEST THING THAT HAS HAPPENED TO RADIO IN THE LAST FIFTY YEARS, AND THE TECHNOLOGY TO PROVIDE THIS SERVICE IS WHAT IS REALLY SETTING YOU APART FROM THE LOCAL, BORING RADIO THAT THE LARGE INTERESTS LIKE CLEAR CHANNEL COMMUNICATIONS DON'T WANT TO INFRINGE ON THEIR MONEY AND WHAT THEY SEE AS THEIR MARKETPLACE. BUT IT'S STILL A FREE COUNTRY, AND THE LARGE CORPORATIONS THAT ARE TRYING TO GET A MONOPOLY ON OUR THOUGHTS AND \$\$'S HAVE TO TRY TO BE INNOVATIVE AND NOT TRY TO JUST "BUY" THE MARKET WITH LEGISLATIVE, STRONG ARMED LOBBYING TACTICS. GET REAL, LARGE CORPORATIONS, AND TRY TO COMPETE, OR YOU WILL BE LEFT IN THE DUST!! , AND RIGHTLY SO!!
